Representing and promoting the interests of Isle of Man Passengers

TravelWatch ISLE OF MAN was founded : "To represent and promote the interests of Isle of Man passengers"

Our key objectives are:

- To provide opportunities for passengers to express their concerns and needs
- To influence Public Transport Authorities and Operators to improve services for passengers
- To provide Public Transport Authorities and Operators with a passenger organisation to consult
- To encourage integrated public transport provision both on and off the Island
- To co-operate with other bodies in the interests of passengers.

TravelWatch ISLE OF MAN holds regular meeting with its supporters and organises a number of Public Meetings each year at which representatives from one or more transport operators may make presentations and answer questions.

TravelWatch ISLE OF MAN is a voluntary organisation funded only by subscriptions and donations. All our work is done by volunteers who give freely of their time. Sponsors (individual or corporate) would be most welcome.

TravelWatch ISLE OF MAN meets with transport service providers and Government departments in pursuit of our key objectives and we are encouraged that some operators and authorities are now taking passenger concerns very seriously.

TravelWatch ISLE OF MAN needs your active support to help us keep focused on your concerns and to help fund our work. Membership is open to any member of the public.

On our website www.travelwatch-isleofman.org you will find:
