

Public transport at London City Airport: www.londoncityairport.com

- Isle of Man flights are provided by BA CityFlyer www.ba.com who serve approx 20 European destinations from this airport. A similar number of connections is provided by other airlines.
- There is a DLR (**Docklands Light Railway**) station at London City Airport offering frequent services to Bank, Stratford and Woolwich Arsenal with connections to **Underground** and **National Rail**. Tickets must be purchased before boarding the trains. **Oyster cards** - see Public transport in London - may be used for payment on the DLR.

Public transport at London Gatwick Airport: www.gatwickairport.com

- Isle of Man flights are provided by **easyJet** at North Terminal. www.easyjet.com
- The **Gatwick Airport** railway station is located at South Terminal but there is a free shuttle service between the terminals. Train tickets can be purchased at the station or the Rail Information desks in both Terminals or on-line in advance from the train operating companies.
- Details of the many rail and coach options for travelling into London are available on www.gatwickairport.com/transport/to-london
- **Gatwick Express** and **Southern** trains serve London Victoria and **FirstCapital Connect** serves London Bridge, Blackfriars and St Pancras International. There are also direct Brighton and East Croydon services. **Gatwick Express** is more expensive but only slightly faster than other services.
- **National Express** run **coaches** to/from London Victoria Coach station and **easyBus** run to/from Earls Court/West Brompton.

Information for passengers connecting with flights at other London Airports

- See www.gatwickairport.com/transport/betweenairports but it should be noted that for two or more passengers pre-booked car transfers may prove competitive with coach fares, particularly if you are travelling to/from an airport hotel. e.g <http://www.batransfer.com/>

Making connections between flights at London Gatwick?

- See <http://www.gatwickairport.com/at-the-airport/Flight-Connections/>

IOM - London by ferry and train: www.nationalrail.co.uk

- **Travelling via Heysham - Northern Rail** services between Heysham Port and Lancaster (for **Virgin Trains** services to London Euston) connect with most daytime ferry sailings.
- **Travelling via Liverpool - Citylink C7** buses provide a 30 minute frequency daytime service between Liverpool Pier Head and Lime Street station - for Virgin trains to London Euston. **Citylink Circular CL** buses run from Lime Street Station to Canada Boulevard (near Mersey Ferries terminal) every 12 mins taking 10 mins but the return journey takes approx 25 mins.
- Through **Sail & Rail tickets** between IOM and most mainland UK railway stations can be purchased in person through the Steam Packet Company or at most staffed UK main line railway stations. For further guidance see <http://www.seat61.com/Isle-of-Man.htm#.UvVtZPtvISo>

Public transport in London: www.tfl.gov.uk/journeyplanner

- From mid 2014 **Oyster** or cashless payment cards must be used London Buses – ie NOT CASH. Until then tickets must be purchased at stops before boarding buses in Central London.
- The use of a pre-purchased **Oyster** card reduces fares substantially. These cards must be swiped on boarding buses and on entering and leaving tube stations. Full details from www.tfl.gov.uk/oyster. Oyster cards may also be used on some National Rail services within Greater London.
